I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

We oppose approving any new FCCgive-away to the broadcasters without the Commission first finalizingaa proceeding on the new public interest obligations for digital TV. The country deserves new requirements for broadcasting, including additional news and public affairs programs or channels; quality educational children's services; and new, measurable forms of community service. If the FCC proceeds without first safeguarding the public interest, it will be just another big hand-out to the broadcasting lobby. We find Chairman Powell negligent in serving the Public. He needs to go!!!
